

Assembly, Use and Care Instructions

Thank you for purchasing this product. Please read the instructions and warnings carefully before use to ensure safe and satisfactory operation of this product.

INSTRUCTIONS FOR USE:

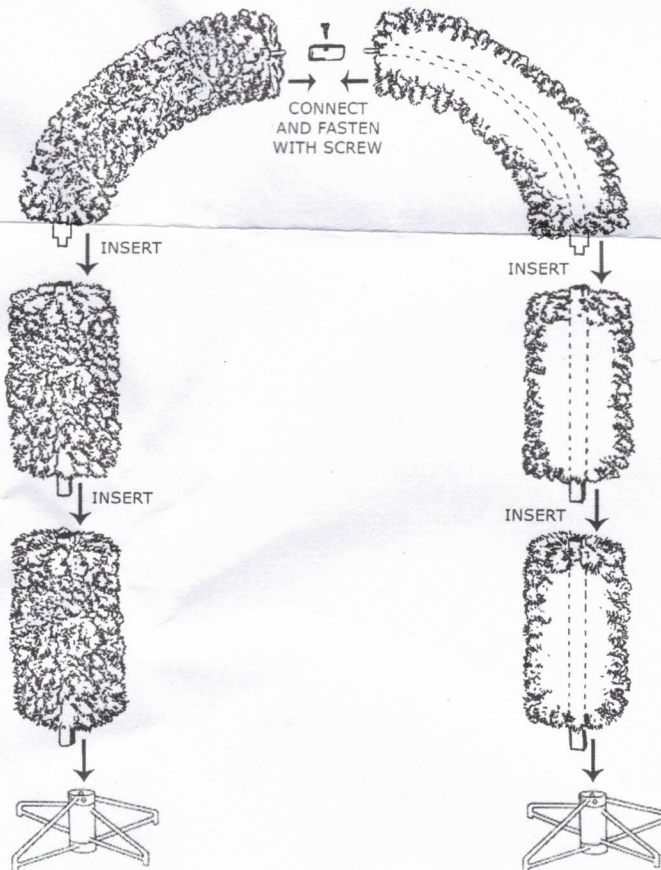

- Decide on an appropriate location for your product (see sitting instructions below).
- Remove all plastic bags and dispose of safely out of the reach of children & animals.
- Remove the arch from the packaging taking care not to damage.
- Please note, it is recommended that two people assemble this item.

SITING INSTRUCTIONS:

- This product is suitable for **INDOOR USE ONLY**.
- Do not position or place near heaters or any other direct sources of heat.

ASSEMBLY:

- Open the stand to form an "X" shape
- Ensure the holes in the stand line up with the holes in the legs.
- Insert the three bolts & screw in– **do not fully tighten the screws at this stage.**
- Remove any protective plastic end caps and store in the storage carton.
- Insert the bottom section of the arch into the stand. One person needs to hold the arch upright whilst the other person tightens the 3 bolts in the stand to hold the arch firmly in place.
- Check that the arch is upright and not leaning. If so, undo the screws & repeat the operation.
- Place the middle section on top of the bottom section.
- Place top section on top of middle section.
- Repeat the other side.
- Connect and fasten the two top sections.

CARE & USE:

- On a weekly basis. Please check that the arch is still firmly attached and supported by the base. Tighten the thumb screws if required.

PACKING THE ARCH:

- When you have finished using, please repack as follows to avoid damage and to ensure that your arch can be used again. When disassembling the arch, start from the top and work your way down.
- Dismantle the arch into sections. Dismantle the base – but remember to keep all the components
- Place the arch sections into the box, followed by the base and other components.
- We recommend that you tether or cello tape the box to avoid any lost items.
- Before you place the arch into storage, check that you have not forgotten any components.
- Ensure the storage area is dry; avoid any damp, wet and humid areas.
